

Macmillan Breast Care Service

Cromwell Hospital offers a comprehensive Breast Care Service for inpatients and outpatients run by a trained Macmillan Breast Care Nurse.

The service provides:

- **A comprehensive Breast Prosthesis Fitting Service.**
- **Lymphoedema advice.**
- **Information and support to women throughout the investigation, diagnosis and treatment of breast cancer.**
- **Liaison between the patient and members of the health care team.**
- **Ongoing support and advice for patients and their families.**

This is a complementary service, but breast prostheses will need to be purchased.

Available

Monday – Friday 9am to 5pm.
